 - Make guesses accurate.
 - TA plans to check geoguessr at next lab
- Evan
 - Did this week
 - Worked on geoguessr.
 - Setting pin
 - Confirming guesses
 - Next
 - Troubleshoot geoguessr
- Logan
 - This week
 - Worked on crossword with DB.
 - Crossword is fully functional
 - Next week
 - Connect crossword to leaderboard
 - Make more than 1 crossword

- Caden
 - This week:
 - Fixed DB breaking after pull requests
 - Helped Dylan get his stuff working
 - Finished leaderboard page
 - Next week:
 - Add some features to leaderboard
 - Create mini leaderboards for each game
 - Make a user account profile

TA suggestions:

- Meet together with group to get leaderboard connections working properly, as well as making the website looking pretty

Timeline

- Next week will be working on deploying website
